## GOVERNOR PEN PORTRAIT

NAME :	Mrs Andrea Goodwin
POSITION :	Parent Governor
BACKGROUND :	I have been a primary teacher for the past 18 years. I am a Deputy Headteacher in a Primary School and therefore play a key role in whole school development, pupil progress and monitoring safeguarding. This gives me a solid background in education and the ability to be a critical friend in supporting the school.
IN SCHOOL :	I am part of the Challenge and Curriculum committees and enjoy attending events in school to celebrate the many successes of the school community.
OUTSIDE SCHOOL :	I have two children and love spending as much time with them as I can. We love outdoor activities, swimming and just having fun.

**Chair of Governors**
